Welcome to the World's Largest Girl-Led Business

Our Girl Scout Cookie Program is way more than a fundraiser. The Cookie Program is a fun way for girls of all ages to power their dreams and gain hands-on leadership and entrepreneurial experience. Girls will learn first-hand the ins and outs of running her own cookie business.

We encourage all Girl Scouts to participate in the Cookie Program. It is a vital part of our program and provides essential funds to support the Girl Scout Movement and troop activities. When troops earn proceeds, they can support their chosen fun and educational troop activities.

All proceeds earned from the Girl Scout Cookie Program are used to benefit girls within our local council (Girl Scouts of Orange County). These proceeds are used to fund troop experiences, activities, and community service projects, as well as council initiatives such as supporting and building membership, and creating innovative girl programming.

With the support, assistance, and encouragement of her family, there's no stopping a Girl Scout!

Your Girl Scout will learn skills along the way that she will use for the rest of her life.

5 Skills

Goal Setting:

Your Girl Scout sets cookie sales goals individually and with her troop and creates a plan to reach them.

Decision Making:

Girls decide where and when to sell cookies, how to market their sales and what to do with the earnings.

Money

Management:

Girls develop a budget, take orders, and handle customer's money.

People Skills:

Your Girl Scout learns how to talk to, listen to, and work with all kinds of people while selling cookies.

Business Ethics:

Your Girl Scout is honest and responsible at every step of the Cookie Program. Her business ethics reinforce the positive values she is developing as a Girl Scout.

Important Steps to Get Started

Every Girl Scout is encouraged to participate in the Cookie Program, even if they are not affiliated with a troop.

Follow the checklist below for a successful Cookie Program.

Cookie Checklist

- ☐ Make sure you have registered for the 2025-2026 Girl Scout Membership year at mygs.girlscouts.org. Only girls with up-to-date membership can participate in the Girl Scout Cookie Program.
- ☐ Complete both sides of the Parent Responsibility Form and provide a copy to your Troop Cookie Coordinator (TCC). See more on page 15.
- ☐ Connect with your TCC and attend your troop's Cookie Family Meeting; make sure to confirm important dates and information with your TCC. See more and take notes on the next page.
- ☐ Help your Girl Scout set up her Digital Cookie® site, beginning January 2, 2026 and help her market her Digital Cookie® site. Need assistance with set-up? Check out the tip sheets at gscookiesetc.org. See more on page 6.
- ☐ Review reward options and help your Girl Scout to set goals with her troop and for herself. See more on page 12.
- ☐ Work together as a family to earn the Cookie Entrepreneur Family pin. See more on page 17.
- ☐ Be her champion and celebrate her success! Serve as her role model for business ethics and safety rules. Let her do the asking but help connect her with friends and family. Encourage your goal-getter to write and rehearse an elevator pitch. See script on the back page.

Know your Deadlines

Cookie program volunteers, like your Troop Cookie Coordinator, have the authority to set deadlines before GSOC deadlines to help ensure your troop meets council deadlines on time. Ask your TCC about troop deadlines and note them in the box on the next page.

How to Support Your Troop

Your Troop Cookie Coordinator (TCC) is a dedicated **volunteer** who helps make the Cookie Program a fun and successful experience for your troop —and they can use your partnership to make it even better!

Keep the following in mind:

- **Know their availability.**
Take note of when and how your TCC prefers to communicate.
- **Reach out when you:**
 - ▶ Have questions or are concerned about an upcoming deadline.
 - ▶ Need more cookies.
 - ▶ Want to check in on money owed or your Girl Scout's progress toward her goals.
 - ▶ Are interested in signing up for additional cookie booths to boost your Girl Scout's sales.

You are personally financially responsible for all cookies ordered and received by your Girl Scout and all money collected from customers.

- ▶ Caregivers and the TCC should sign a receipt for all money turned in, and cookies picked up.
- ▶ Caregivers should turn in all payments to the TCC by the given deadlines.
- ▶ Any lost or stolen money is the responsibility of the caregiver who signed the girl's parent responsibility from.

Have a Safe and Successful Season

Girl Scouts, follow these tips to stay safe and have fun as you reach your cookie goals.

Show you're a Girl Scout

Wear your Girl Scout uniform and branded apparel to identify yourself as a Girl Scout.

Buddy up

Always use the buddy system. It's not just safe, it's more fun.

Partner with adults

You must be accompanied by an adult when taking orders or selling/delivering product.

Plan ahead

Always have a plan for safeguarding money. Avoid walking around with large amounts of money or keeping it at home or school. Turn in money to be deposited in your troop's bank account frequently.

Do not enter

Never enter the home or vehicle of a person when you are selling or making deliveries. Avoid selling to people in vehicles or going into alleys.

Be safe on the road

Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways. Be aware of traffic when unloading product and passengers from vehicles.

Complete Booth Sale Training

All adults participating in booth sales must complete booth sale training, but we encourage every adult supporting their Girl Scout in the Cookie Program to take this training.

Hey Adults,
Take this
training!

Protect privacy

Girls' names, addresses and email addresses should never be given out to customers. Use a group contact number or email address overseen by an adult for customers to request information, reorder or give comments. Protect customer privacy by not sharing their information.

Be net wise

Take the Girl Scout Internet Safety Pledge before going online and follow the specific guidelines related to marketing online.

Did You Know?

As a nonprofit organization, Girl Scouts of Orange County follows the guidance provided by GSUSA and IRS when developing the rewards for the Cookie Program.

Product program rewards are benefits received by Girl Scouts participating in the program. Per the IRS, "a section 501(c) (3) organization must not be organized or operated for the benefit of private interests. No part of the net earnings of a section 501(c) (3) organization may inure to the benefit of any private shareholder or individual."

Per this guidance:

It is important that all recognitions and rewards are based on escalating bands or ranges, are not based on dollar-for-dollar calculations, and are used for program and mission related activities or items.

- ▶ An item that exceeds the monetary cap can be given as part of a learning experience, only if the item is necessary for an experiential learning event. The item **MUST** be offered as part of a group event or class.
- ▶ Councils must not provide recognitions in the form of cash, gift cards, promo codes, or tickets to external establishments.
- ▶ Trips or events should not include funding the cost of family members or friends who are not required chaperones or troop members.
- ▶ All Cookie Dough would apply to the rewards cap. Cookie Dough should never be redeemed for cash.
- ▶ All Cookie Program proceeds are for the benefit of the entire troop; they should be used in ways that are agreed upon by the troop; and they are the assets of the troop or council and do not follow girls who leave the troop.

**Virtual Cookie Share will be donated by GSOC and does not come out of troop's inventory.*

Powered by Cookies

The Girl Scout Cookie Program provides a way for Girl Scout troops to plan and finance their own activities, and an opportunity for girls to learn money management skills as they earn and budget troop funds.

Remember that proceeds earned during the Cookie Program belong to the troop and must be used for the purposes of Girl Scouting. Funds are administered through the troop and do not belong to individuals.

Work with you troop to set goals and plan how they will use cookie proceeds.

Troop Goals:

Our troop has set a goal to sell _____ packages!

We plan to use the money we earn to pay for:

If she can't read and write yet, have her draw a picture!

Your Responsibility as a Parent/Guardian

Every Girl Scout must have a completed Parent Responsibility Form on file with her Troop Cookie Coordinator before selling Cookies.

By signing this form you are granting your Girl Scout permission to participate in the 2026 Girl Scout Cookie Program and agree to accept payment responsibility for all cookies received and to ensure the Girl Scout has adult supervision at all times.

The Cookie Program begins on January 6, 2026 and ends on March 15, 2026. Girl Scouts and troops will not receive credit for orders placed before or after the Program. Girl Scouts do not collect money or deliver products for direct ship orders.

You agree to the following:

- Your child is currently registered as a Girl Scout for the 2025-2026 membership year.
- Your Girl Scout and you will read and sign the Girl Scout Internet Safety Pledge.
- No cookie orders will be taken or sales made prior to Tuesday, January 6, 2026.
- Girl Scouts may only market to customers in person within the council's zip codes only (except for family members, friends and caregivers' co-workers).
- There is no jurisdiction for online sales, but Girl Scouts cannot have customers pay online except through the Digital Cookie® online sales system.
- Payment is collected from customers when products are delivered with the exception of some online pre-orders.
- You accept responsibility for all cookies received and understand cookies cannot be returned unless they are damaged.
- You will obtain signed receipts for all cookies received/exchanged and for money submitted to the troop/group.
- Your Girl Scout and yourself will follow ALL Girl Scout Cookie Program guidelines.
- You will submit cookie money to the Troop/Group Cookie Coordinator by the troop deadlines.
- You understand all cookies must be paid for no later than March 17, 2026.
- You understand that proceeds belong to the troop and not the individual girl or family.

Cookie Ethics

As Girl Scouts in everything we do, including the Girl Scout Cookie Program, we are guided by the principles of the Girl Scout Law.

I will do my best to be

honest and fair; Sell Girl Scout Cookies when the program begins and not before.

friendly and helpful; Be polite to all the people you ask to buy Girl Scout Cookies and other Girl Scouts selling.

considerate and caring; Arrive on time to cookie booths and give advance notice if you can no longer make a booth sale so other girls have the opportunity to sell.

courageous and strong; Ask people to buy Girl Scout Cookies, even though you might be a little afraid to speak to them.

and responsible for what I say and do; Deliver cookies when promised, always give the correct change, and follow through on booth sale commitments.

and to

respect myself and others; Wear my Girl Scout Uniform with pride and understand I am representing Girl Scouts.

respect authority; Be aware of Girl Scouts of Orange County Cookie Program guidelines and listen to directions from store managers at booth sales.

use resources wisely; Recycle cookie packaging, use and share reusable materials to decorate your booth.

make the world a better place; Tell customers that they can purchase Girl Scout Cookies for local food banks, military organizations, or our troop's Cookie Share recipient and share with them the other ways your troop has or plans to use Troop proceeds to improve your community and world.

and be a sister to every Girl Scout; First and foremost work together and lift each other up as you help each other master the 5 skills, reach your cookie goals, and celebrate your successes. The Cookie Program is a team effort, not a competition. Through the Girl Scout Cookie program we all work collectively to support access to the life-changing experiences provided through Girl Scouts.

Booth Etiquette

Girls sell, adults supervise! Participation in cookie booths gives girls the opportunity to learn new skills, to promote Girl Scouts, and to sell more cookies. Review the following etiquette rules with your Girl Scout.

I will:

- Follow the Girl Scout Promise and Law
- Be polite, friendly, and helpful
- Remember my behavior reflects Girl Scouts
- Follow the Cookie Booth sale start dates
- Arrive on time and give notice of cancellations
- Wear Girl Scout uniform and branded apparel
- Say thank you to every customer, *even if they say no*
- Clean up and take all trash home with me

I will not:

- Block entrances
- Go into a host business without an accompanying adult
- Have an adult or other child conduct sales when a Girl Scout is not present
- Get in the way of customers
- Give out my full name, or contact information
- Run around or play while selling at a booth
- Eat or chew gum

Note: Selling cookies at a booth is a privilege granted to us by local businesses. This privilege, if abused even unintentionally, could cause all Girl Scouts to lose the opportunity for additional booths at these locations. If complaints arise you may be asked to leave.

Entrepreneurship Badges & Pins

When you sell Girl Scout Cookies, you practice-goal setting, decision making, money management, people skills, and business ethics—as you learn to think like an entrepreneur. You can earn badges and pins each year you run your own Girl Scout Cookie business. Then explore your own business idea by earning an Entrepreneur badge.

Simple Script for Selling

Fill in the blanks and use this handy tool when you speak with friends and family to see if they'd like to purchase cookies. Phone calls are a great way to stay connected!

Hello! My name is _____ (First Name)
and I am a Girl Scout in Troop # _____.

Would you like to buy some Girl Scout Cookies?

By participating in the Girl Scout Cookie
Program, I'm learning how to _____.

My Goal is to sell _____ packages so
my troop and I can:

- ☐ complete a service project
- ☐ save for a future trip
- ☐ purchase badges and supplies
- ☐ _____

Would you like to buy some Girl Scout Cookies to donate to
Cookie Share? These cookies are tax deductible and will be
donated to local food banks and the military.

Always say
"Thank You"!

Ask everyone

Most people will buy cookies if asked, so ask and always have packages with you.

Share your goals

Explain and make a display of you and your troop's goals and what you've done with money from previous years.

Wear your uniform

This means a white top, khaki bottoms, or Girl Scout branded apparel with a vest, sash, or tunic.

Repeat customers

Ask customers who bought from you last year. (Keep those order cards!)

Fill cookie voids

Find out which neighborhoods don't have a troop and go there to sell door-to-door!

Do you know a Stellar Seller?

Nominate your Girl Scout or a Girl Scout you know for the way she has excelled in one or more of the 5 Skills this cookie season. If selected as a stellar seller they will receive a patch and will be honored at our All Star Cookie Ceremony on May 21, 2026.
