

2026 Cookie Booth Sale Plan

Service Unit Number: 116 Service Unit Name: Tustana Ranch

A copy of this plan was shared with the Service Unit Team on this date: 11/15/2025

A copy was emailed to GSOC Product Program Team and Volunteer Managers on 11/18/2025

This form must be submitted by **November 20, 2025**

Submit via email to customercare@girlscoutsoc.org with subject: "2026 Cookie Booth Sale Plan"

Best Practices for Booth Sale Lotteries

- Service Unit Booth Sale Coordinator notifies troops by **Nov. 20** of any privileges/requirements
- Do not include any unconfirmed locations in your lottery
- Individuals may represent more than one troop at a lottery
- After the lottery, troop requests for changes must be approved by the Service Unit Booth Sale Coordinator to ensure they are properly reflected in the Cookie Scheduler (until ABC Booth Scheduler opens to all troops)

Booth Sale Boundaries

Boundary agreements are in place for current membership year only. Service Units using a site(s) outside their boundary must re-negotiate each year.

We have reviewed our SU boundaries and (check all that apply):

- ☒ There are no issues or concerns
- ☒ We are permitting another SU to use a site(s) within our boundaries (details below)
- ☐ We are borrowing a site(s) outside our boundaries for another SU (details below)
- ☐ Our community has special/unique requirements (details below)
- ☐ Other details below

Service Unit Booth Plan Details:

Tustana Ranch will manage sites within the Tustana Ranch area but will partner with SU701 for availability.

Reminder: Council approval is needed for any booth locations your Service Unit would like to reserve specifically for the Service Unit Only. A [form](#) must be submitted and approved to be considered reserved during the Cookie Program. Submission of form does not guarantee council approval. Reserved booth requests must be submitted by **January 8, 2026**.

Cookie Booth Sale Process:

☐ Computer Generated Lottery (*random generator to assign shifts*)

☒ In Person Lottery – or Virtual (*ie. Zoom meeting style*)

(Because it is too difficult to manage fairly, call-in or email lotteries are not permitted for Cookie Booth Sale Lottery)

How do lottery draws get determined?

- All Troops pertaining to SU 116 and GSOC Juliette Regional Coordinator are eligible to participate in our Service Unit Booth lottery
- Prior to the lottery night, lottery information (including all available sites with addresses, shift times, and clear instructions on how the lottery will run) will be sent to all troops via email to troop leaders and TCCs via their Cookie Manager and SU team. All efforts will be made to send out locations, dates, and time ranges for each site available to service unit troops. This information will also be posted on our Service Unit's Band site as well to ensure communication is made. In addition, site notes will be sent but marked "as known of at this time."
- Every effort will have been made to secure any and all booth site available prior to the lottery. All verified booth sale slots will be displayed on individual charts. Troops are responsible for noting the number of doors, adults and girls allowed at the site, advertised slots and anything else that makes the site unique. Charts will be available for view approximately 15 minutes before the start of the lottery.
- At the lottery check in, troops will be required to sign and acknowledge the following:
 1. My troop's leader & I have read the 2026 Booth Sale Best Practices.
 2. We agree to abide by all procedures, rules, regulations, etc put forth in the Best Practices document and GSOC Troop Planbook.
 3. My troop's leader & I will ensure that all registered/background screened adults participating in 2026 cookie booth sales have taken and passed GSOC Council provided training.
 4. My troop is aware that there are consequences for any and all infractions and will ensure that our troop remains "Honest & Fair" during the 2026 cookie sale.
- During the lottery, all troops participating will place their provided troop token into a "hat" at check-in. Each draw includes only one weekend and one weekday slot. Weekend is defined as Friday, Saturday, Sunday and Holidays. Weekday is defined as Monday thru Thursday. Slots will be offered in two hour lengths. Troops can use the selected slots for either troop or parent/Girl Scout sales.
- Each troop will have 15 seconds to pick their slots until another troop is called up. Slots are selected by pulling the card from the time slot and bringing it to the computer area where a team will enter their picks directly into the shared spreadsheet. To speed up the lottery, the next troop to go up and pick will be "standing on deck" near but not at the display of charts. Troops failing to hear their name called during each round will be able to go up at the very end of that round.
- After all the participants in the first round are selected and slots chosen, the next round will occur. Troops wanting additional slots will be asked to place their troop token back into the hat and round two will commence with two new slots for each troop. Failure to put the troop token back into the hat will disqualify them from participating in that round.
- Formal lottery rounds will continue as long as there are troops wanting more slots unless:
 - We need to end the lottery and clean up, so we are out of the room as per the time noted on the facilities use request form.
 - There are less than 12 troops still wanting slots. At that time, troops will be given a chance to choose more than their two slots. The caller will determine the amount and if it can be more than just a weekday and weekend. Troops will be able to walk up to calendar pages and select freely.
 - Troops who were unable to attend the lottery night will be able to get their lottery spots through the ABC Smart cookies

Details of SU Plan for conducting the Cookie Booth Sale Lottery: Tustana Ranch

Date of Service Unit Lottery: January 7th, 2026

Time: 6:30 pm **Location:** Loma Vista Elementary 13822 Prospect Ave Santa Ana, CA 92705

Special privileges? __ No __ X Yes, please list below.

Requirements for early picks or extra draws? _____ No X Yes, please list below

Must notify all troops by November 20, 2025

Priority Draw Criteria

Round	Criteria	Details of Criteria
1	Service Unit Cookie Team	Service Unit Cookie Manager, Booth Sale Coordinators, Rewards Coordinators) will have a first pick of one slot (slot is defined as a location at a particular date and time).
2	Service Unit Team	Service Unit Leads, Finance Coordinator, Level Consultants, Fall Product Manager
3	Service Unit Meeting Attendance	Troops with Service Unit attendance of 80% (January 2025 – December 2025)**
4	Troop of Honor recipients OR Hosting a Service Unit event	Troop of Honor recipients Troop hosted a recruiting table at a school event. Troop hosted an event that is open to all Girl Scouts in the Service Unit (example: badge workshop)
5	All troops in Service Unit	All troops and GSOC regional Juliette coordinator may participate

Limitations: Only one draw per Troop if more than one adult volunteering. One draw even if filling multiple positions. Each volunteer can pull for each of their own Girl Scout's troop

****Normalization of attendance: Troops new to the Tustana Ranch SU will have their attendance calculated based on the number of SU meetings they had the opportunity to attend after becoming active troops. SU Managers will figure out the Normalization for new troops.*
